<b>NOTES</b>							
<b>1</b>	species names in italics are sub-species						
<b>2</b>	species in red are pending acceptance by either the Norfolk or National Rarity Committees						
<b>3</b>	(RB) or (RN) after the species name means that occurrences of this species need to be reported to National (RB) or Norfolk (RN) Rarity Committees						
<b>4</b>	where counts exist for a subspecies as well as at the species level, the species count excludes the subspecies						
<b>5</b>	max count is the highest count recorded at an individual site on any one day
