# BIG BIRD DAY 11 January 2020

## Systematic Order

Status

Observer(s)

### Notes

**Status Codes**    B Breeding                      C Possible Breeding                      D Category D on British List  
E Escaped                      G submitted via CBC website                      H Heard  
L Dead/corpse                      P Pending acceptance by the Norfolk or National Rarity Committees - description needed  
Q Outside the official Cley Square limits                      S Rarity not submitted  
U Unconfirmed - usually refers to a sighting by an unidentified observer from the Cley Log Books or pager  
V Probable or possible - where the observer has indicated it as such                      X Hybrid

**Species - Rarities**                      (RB) or (RN) against a species name indicates it is a rarity which needs to be reported to either the British Birds or Norfolk Rarities Committee.

**Sightings Notes**                      Names given in the notes are those written in the logs.  
An \* in the notes means a name was given but not published.
