

**Little Egret Coordinated Roost Count
North Norfolk Coast
24th September 2016**

Old Hunstanton Park	16
Thornham	0
Titchwell	31
Burnham Deepdale	17
Burnham Overy Town Mill	122
Holkham	13
Stiffkey Fen	324
Cley	1
Total	524

Additional information:

Snettisham – a reserve record 99 roosted 8th September

Thornham – none roosted but singles west towards Holme and east towards Titchwell

Titchwell – an additional 15 birds pre roosted on the reserve and then headed east

Burnham Deepdale – all appeared from adjacent saltmarsh or were already present

Burnham Overy Town Mill – all birds in from north

Holkham – 9 birds in from east and 4 from west. Also 460 Cormorant and 1400 Jackdaw into roost

Stiffkey Fen – 125 birds in from west and 183 in from east, also three Cormorants pre roosting but did not stay

Cley – two additional birds flew in from north low over wood, but departed west. One Grey Heron roosted.
